Dominium Entertainment and Holy Nation Ministries are proud to announce the **Live Video Recording for Dathan Thigpen & Holy Nation's GETUP Vol. 1 on May 8, 2009 at the Jackson Convention Complex.** This local group has received numerous awards and national exposure through the release of their debut CD GETUP Vol. 1 "Get Exposed to Unadulterated Praise" ([www.holynation.us](http://www.holynation.us)). Their explosive stage performance is unparalleled in the Gospel industry today!

The DVD that will be recorded will be released for national distribution later this year. We are offering your company the opportunity to be a Corporate Sponsor for this event. We have several sponsorship packages that range from coupon advertisements to banners, video announcements, and print, radio & TV advertisements as well. We are anticipating over 2000 attendees on the night of the recording as well as an extended national audience of web, radio and television viewers and listeners.

Attached you will find an itemized copy of our corporate sponsorship opportunities. We encourage your company to join our other corporate sponsors such as Guitar Center & McAlister's Deli in promoting your company through Dathan Thigpen & Holy Nation's Live Video Recording. Dominium Entertainment is committed to giving back to the community by supporting the arts and promoting music education. We have multiple projects in the works through our newly established non-profit foundation. We are currently partnering with Youth Solutions Adolescent Development Services ® to provide weekly music education classes at Oakley Training School in Raymond, Mississippi. Rev. Juan Wilson, Owner of Youth Solutions and Chaplain at Oakley, is excited about this partnership. This series of 6 week music classes will help these at-risk young men channel their energy and talent in a positive direction. Studies show that youth that participate in music programs also improve academically. We believe this will be an excellent supplement to the wholeness and life skills teaching that Youth Solutions is already implementing with the youth. This partnership will help produce more well-rounded and disciplined young men.

The weekly training will expose them to formal musical training as well as an introduction to state of the art music software. This innovative program will encourage them to explore and develop their natural musical talents and abilities. The structure of this program emphasizes a disciplined work ethic in a fun interactive environment. Dominium Staff will provide instrumental music classes in piano, guitar (lead and bass) and drums. Vocal music classes are also a part of this exciting program.

A portion of the proceeds from Dathan Thigpen and Holy Nation's GETUP DVD Recording on May 8, 2009 will go to help underwrite this new program. We have reached out to the Oakley Training School extending an invitation to these young men to attend the taping as well. We are raising funds to pay instructors and purchase musical instruments. Your investment in GETUP is also an investment in the lives of these young men; influencing them toward a positive future.
